Thot Rules:

1. Never turn a hoe into a housewife.
2. Don't you ever, and I mean, ever kiss mouth-to-mouth!
3. Repeat Rule 1.
4. Never exchange social media contacts.
5. Never go out in public.
6. Always wear a condom (maybe two to be on the safe side).
7. Never have sex any more than 1-2 times.
8. Never let them know your "Real Name."
9. No holding hands, No cuddling, and No romancing
10. No Dope Dicking. (refer to glossary)
11. Always be prepared with liquor or weed.
12. Check to see if they have dirty feet. If so, (don't smash!)
13. No spending time on holidays.
14. No exchanging Gifts such as (Birthday, Christmas, etc.)
15. Refer to Rule 1.
16. Never lend money out or ask for them to give you money.
17. Never take pictures together.
18. Always make the decisions for both of y'all.
19. Never spend too much time with her.

Fuckboy Rules

1. Never let him know where you live.
2. Don't ever give him money.
3. Don't give him any pussy after the first month.
4. Don't vent to him about your problems.
5. Don't let him know who your exes are.
6. Don't agree to meet his parents.
7. Don't make him meet any of your friends.
8. Always act like your broke.
9. Never show feelings for him.
10. Don't let him drive your car.
11. Don't answer your phone after 12am.
12. Always use a condom.

INTRODUCTION

Thot is a denigrative slang term, originally defined as an acronym of “That hoe over there” but is now general used as a synonym for hoe or slut, epecially in the context of trap music or modern rap. The exact origin of “thot” is unknown. However, the word was first defined on Urban Dictionary on December 5th, 2012, and has since been independently defined 127 times. The magazine Complex claims that it originated in the Chicago drill music community, and was first popularized by the local rapper Katie Got Bandz in her song “Riding Round and We Drilling,” released on March 12th, 2012. On April 30th, 2012, another Chicago rapper named TKO released a single called “I Need a Thot.” Also according to Complex, a man named Duan Gaines claims to have first heard the term on set for a video shoot with Chief Keef. He then began using it on social media, popularizing the term.

CHAPTER 1

WHAT IS A THOT?

According to Urban Dictionary's top definition, a "Thot is a hoe," with the plural being "thotties" or "thots." Other definitions, however, reveal a little more about how the word itself came to be. As you may have already guessed, the word is frequently used in an unpleasant and problematic way. Rappers and hip hop artists use it as a derogatory term for women to whom they intend to pay no mind and who they dismiss entirely. Why the dismissal? Because, as those who use the term see it, "they're just hoes," and their worth is apparently wholly tied in with their sexuality and sexual prowess. This is presumably why the rapper Shamis says that "you can't make a Thot a wife." Thots, by definition, aren't considered particularly desirable because they sleep around and will inevitably cheat on you, because a sexual woman is apparently incapable of being faithful; it is presumed that Thots have no other qualities besides being hoes. The term is popularly integrated into several hash tags, including #thotsbelike, which is popular on Instagram, and #youknowyouathot, which is popular on Twitter. On Instagram, the tag #thotsbelike has over 91,000 posts as of June 2015. The term "thot" returned over 91,000 results on Vine in the same period.

Criticism

The criticisms of the word “Thot” are similar to that of its synonyms. Writers have called the term misogynistic, but some have identified it as also being a classist slur, similar to basic bitch and ratchet. These two terms identify a woman who is not only sexually open but is also interested in using her sexuality to receive inexpensive goods. To follow this guide, you will have to throw everything you know about picking up women out the window. If you need a book that teaches you how to find your soul mate or a potential girlfriend, this is not that book. This book will build the self-confidence you need to get any Thot you want. Understanding a Thot is an easy task; you just have to know what they want and where to find them. Secondly, don’t ever think pussy is free. I find it puzzling that some guys believe it is. The only people who think like that are probably people who do not get any pussy, the ‘40-year-old virgin’ type of person, or ‘incels.’ No matter what, you will have to spend money such as money for gas to find or pick up the thots (women). You may also spend money on drinks; so don’t think you aren’t about to come out of your pocket. I will teach you how to get a thot in the most natural way without hurting your pockets. The process is natural; it is all about knowing the right time and location. After reading this book, you will be well informed about what to look for when talking to a Thot. So quit wasting your time at bars and clubs, remember that time is money, money is time and your time is valuable. Getting pussy for tonight should be your second priority; your first priority should be to avoid spending as much money as you can while trying to complete this task. This could be expensive if you are a “Simp,” but this book will arm you with the necessary tool for catching a Thot. This book will help you avoid falling into that ‘super-save-a-hoe’ category.

Let’s get to work. Have you ever thought Damn, all I want is a Thot tonight? I am not trying to cuff her up, I’m not trying to marry her, we just going to fuck and if it is good, I just might remember her

"THIS BOOK CHANGED MY LIFE!!!"

- Somebody Famous and Successful

This Book identifies Thots & fuckboys. Provides an understanding what is a Thot. this book will establish a dating budget, and help build confidence.

Women will also find this book helpful because it stabilizes what is a "FuckBoy" and how to Avoid or Capture one.
